

## **Dato' Seri\* Wong Siew Hai**

*Advisor*

A 30-year electronics industry veteran, SH Wong as he prefers to be addressed, had served at Intel for most of his illustrious career. Retiring as its Vice President of Technology and Manufacturing Group (TMG) and General Manager of Assembly and Test Manufacturing (ATM), SH Wong was responsible for all assembly test factories worldwide. He has also held the role of Vice President and Managing Director at Dell's Asia Pacific Customer Centre.

Contributing his global experience to advancing the electronics industry, SH Wong is today, the Chairman of MAEI (Malaysian American Electronics Industry) and Chairman of the E&E Productivity Nexus (EEN). He is a Board member of the Penang Tech Centre Bhd and Penang Science Cluster Bhd.

SH Wong is recognised as a pioneer in the setup of Tech Dome Penang, the state's first science discovery centre designed to inspire children and students to pursue science and engineering and extends his leadership experience to coaching at the Cradle Growth Programme (CGP) for SMEs. He served as a member of the Board of Directors of the Malaysian External Trade Development Corporation (MATRADE), under the Ministry of International Trade and Industry (MITI) for 12 years and was Chair of its audit committee.

In education, SH Wong is a member of the Board of Governor of KDU University College and was recently appointed as an Adjunct Professor of Multimedia University (MMU) and trustee of the Multimedia University Foundation. His other roles include member of the Management Board of Wawasan Open University's Institute for Research and Innovation and serves on the Board of Governor of MTT Learning Academy.

###

*\*Dato' Seri is Malaysia's highest state-level honorific title conferred by a Ruler to an individual in recognition of his/her contribution to the nation or state.*
